----------------------------	---------------------------

no-wide directory was found. Confirm robots.txt, rate limits, and site terms before automated crawling.

Directory Type	Crawler Fit	Crawler Notes
People directory	Strong	GME hub links to separate residency and fellowship lists; program pages commonly expose current trainees.
Provider directory	Strong	Single GME page lists 125+ programs by campus and links to program pages. No public employee-wide directory found.
People directory	Moderate	Official program search is useful as a seed; trainee pages are split across campus and department sites, including blog.ttuhsc.edu .
People directory	Strong	Tucson GME hub covers 60+ programs. Campus directory points to this phonebook for person searches.
Provider directory	Strong	Program directory is the best crawler seed; provider finder is not an employee-wide directory.
Provider directory	Moderate	Training pages often route to Columbia or Weill Cornell program sites; crawler should allow those official affiliated domains.
Provider directory	Strong	Central GME page links to a training-opportunities search across member hospitals.

Directory Type	Crawler Fit	Crawler Notes
People directory	Strong	Official College of Medicine GME list is the best starting point for specialty pages.
People directory	Strong	Public UNM directory supports faculty/staff filtering; GME page links to residency and fellowship programs.
People directory	Strong	Central program index plus public university/medical-center people search.
People directory	Strong	ODU GME page lists residencies and fellowships; some legacy links still use evms.edu.
People directory	Strong	Official GME program index and UVA people directory.
People directory	Strong	Residency/fellowship index is a useful crawl seed; directory may limit some details to authenticated users.
Provider directory	Strong	Central education page lists residencies and fellowships; no public employee-wide directory found.

Directory Type	Crawler Fit	Crawler Notes
Provider directory	Moderate	Residency hub is public; fellowship links may be under individual hospital or specialty pages.
People directory	Strong	GME page provides program access; campus directory includes people search.
Provider directory	Strong	GME hub links to training programs; provider finder is the public directory available without login.
People directory	Strong	Dedicated residents-and-fellows site; Dartmouth directory is institution-wide but may not include every health-system trainee.
Provider directory	Strong	Residency/fellowship page links out by specialty; public directory is provider-focused.
Provider directory	Strong	Large searchable GME catalog across Arizona, Florida, and Minnesota; public directory is provider-focused.
People directory	Moderate	UMMC GME hub links to residency, fellowship, and current trainee pages. The UMB campus directory is public but requires JavaScript and reCAPTCHA, which may limit automated crawling.
